

DO NOT DOX YOURSELF. Avoid mentioning irl specifics. And for the love of [redacted] do not leave me cleaning up your social messes.

**gone\_farther**

Honestly I don't even care about your stupid video games, I'm just inherently intrigued by the obsessively obscure. Don't expect me to contribute consistently or widely.

**gone\_farther**

lol

**jadedResearcher**

we can def agree on being intrigued by the obsessively obscure.

i'm jr, made this server because zampanio is infuriatingly obscure. every link i find is either already dead or apparently just days from BECOMING dead, the only other zampanio discord server i could find was weirdly abandoned and somehow no one who has played the game has a copy they can share with others

as you do

im trying to piece together enough info to either play the game myself or make a fan work of it to throw into the abyss

**Krysal Tepsyr**

i'm krysal, or krysl

you might've found me before in some strange corners, i tend to get around.

i hunt down weird shit and try to put it back together, got led here by that.

uhh. i exist on the internet, usually under some variation of Krysal Tepsyr. had a tumblr for a while where i did somethin similar to this but it's a bit strange so be prepared for that if you start poking around that shit. maybe i'll bring that back. idunno. would be funny i think.

but yeah. i'm here. i'm figuring this out i guess.

**attendantWatcher**

You may call me AW, and you may know me under different handles. Researcher, writer, theorist, you know the works.

**IronicOrnithologist**

Are you a TMA fan?

attendantWatcher

I'm not a podcast fan but I have a lot of friends who are TMA fans so I am to research the topic at least a bit.

**aurora borealis**

uhhh hi i'm Mug. any pronouns will do.

i don't quite know what Zampanio is, but an old friend of mine was really into it! i showed up here while trying to track them down, but you folks seem chill so i havent moved on yet.

uhh more about me. i like fighting games and short walks on the beach. only short ones

**Blobbin**

Hi all, I'm Grave Robin (it/they). I'm 17, and likely to not be that active because I have lots of uni work.

I'm not really a gamer, and I'm not likely to find much about zampanio online, but a friend showed me a video essay on it a year or so back, and I've been interested ever since. So when I saw this server, I joined.

Uh, other things. I like podcasts? I'm really interested in psychology, and all learning really. Sometimes I act far more crytic than I thought I was acting, so feel free to ask for clarification if I'm being vague.

lionfish1212

how do pronouns work

**Blobbin**

People tried to gender me, it gave bad vibes, I started using they/them, I decided to trial some new pronouns, people used all pronouns for me for a bit, it/its hit different, and now that's my pronouns. In other words, I don't have a clue.

lionfish1212

but arent i and you pronouns too

**Blobbin**

Yes

**aurora borealis**

that's true! but usually when people say "these are my pronouns" on the internet they are referring to 3rd person pronouns.

**Blobbin**

Pronouns are just words that you use in place of someone's name. They can be 1st, 2nd, or 3rd person.

**aurora borealis**

he/she/they/it, those ones

lionfish1212

ive never seen that

i guess its useful

people think everyone is a boy a lot just because it's the internet -\_-

**Blobbin**

How about you? Have you ever thought about your pronouns?

lionfish1212

no...

they're only in english assignments

**Blobbin**

Fair. Shall I use they/them for you then?

lionfish1212

i'm a girl but i guess that's okay!

**Blobbin**

I'm happy to use whatever pronouns you prefer. If they/them sounds like fun for now, we can stick with that, or I'll use she/her if you want. Or anything else, if at any stage you change your mind.

lionfish1212

uh

you can do that sure

thats fine!

**Blobbin**

Ok!

**Flippet**

hello yall.

i go by Ninetygone, mostly online, and i've never read the works of junji ito.

i use she/her and they/them and am... more than 19, i think? i still don't know what year it is.

also i have a few copies of this thing but i probably won't touch them. someone else might though? who knows.

**J v a k Q t R**

Oh I didn't realize there is an intro channel! I'm bloopboop (obvs). I don't actually play many games but I keep thinking about zampanio so here I am!

I pretty much only have used the internet for animorphs and anime fanfiction XD

**gone\_farther**

Animorphs is a worthy use.

lionfish1212

oh i love animorphs!!!! my favorite one is cassie

**gone\_farther**

I would say Cassie or Rachel.

**J v a k Q t R**

I love them all but Cassie and Rachel are my girls <3 <3 <3

lionfish1212

when rachel turns into a grizzly bear to fight its the coolest thing in the world!!!!

**gone\_farther**

Unfortunately polar bears are cooler.

lionfish1212

she doesn't get the polar bear morph for a while though

**gone\_farther**

no

book 25 was one of the ones we owned, at home

**jadedResearcher**

im a sucker for "what does it mean to be human"

**J v a k Q t R**

Tobias is GREAT

**jadedResearcher**

**gone\_farther**

This seems the channel for it. Name change, demeter'd => go\_far

For the artistic consistency, you understand.

sierra & sammi

What do you mean?-Sammi

**jadedResearcher**

gopher

sierra & sammi

Ooooooh nice =D

**J v a k Q t R**

:O nice new name!

**gone\_farther**

lionfish1212

like gopher?

**gone\_farther**

Yep!

**J v a k Q t R**

That's SO cute what are you talking about

**gone\_farther**

'bloopbloop' is just absolutely adorable though. And so fun to say!

[SmeargleUsedHex](#)

Fuck, I keep procrastinating doing an intro. No more.

Hi, I'm Hex. I like Pokemon (who would've guessed), Homestuck, and RPGs. I've been digging through a Google Drive archive of a ton of Zampanio shit from back in the day.

**J v a k Q t R**

Hello hex!!!

[SmeargleUsedHex](#)

Hi. I am not new. I was, like, the second or third person to join.

[sierra & sammi](#)

Hi :D

**J v a k Q t R**

Oh... hello regardless!

**gone\_farther**

Yeah, we can always say hellow to you.

\*hello

Or, uh. "hi smiley face italicised blink". As the case may be.

[Daedalus](#)

!H

**gone\_farther**

Blink blink, [Daedalus](#).

**Austin (Alt)**

Oh I finally found it, hopefully

My name's Morgan and/or Austin! I like to draw mainly on Whiteboard lol

Uhhh, I dunno what else to say

**J v a k Q t R**

Hi Austin!

**kuramon**

HEY i'm kuramon. he/it and here to win

i do illustration and a lot of my friends are into lost media so i was into zampanio for a while o7

**kit [ey/em]**

hey, i'm kit, ey/em, and i've been playing a lot of ttrpgs lately, so i thought i'd come check things out!

**gone\_further**

I've always wanted to get into that. 'so hard tho.

**kit [ey/em]**

i could be persuaded to run a few, I like doing one shots

**SireKardis**

Didn't see this when I first joined, been busy with school.

I'm Kardis, they/them, I used to be into stuff that didn't have all the pieces and it's nice to be seeing a discord all about it, especially when the name is known.

**kuramon**

shit's getting weird lionfish was probablyyy right, i'm only keeping this server on in the background now

@zampanio\_kura if we find more stuff about this game
