

If you want me to create a role or channel you can ask here. Lets not go ham okay?

jadedResearcher

made a channel #wiki-work

jadedResearcher

made #testimonies cuz i realized that the whole red string thing can be a Lot if we just want an eye witness testimony

[IronicOrnithologist](#)

Can I be blue?

Also can there be an emoji channel?

[Donald Duck images]

jadedResearcher

ill just give everyone emoji rights

and yeah i can make you blue

got four color roles for now

[IronicOrnithologist](#)

[The previous images plus a crab with a knife and a transgender rat now as emojis]

jadedResearcher

has anyone ever found any Zampanio emoji?

[IronicOrnithologist](#)

I found this

jadedResearcher

:ey3star3:

:ey3h3llo:

[the emojis that usually refer to Truth]

[IronicOrnithologist](#)

Oooh!

Who made those?

jadedResearcher

the judge apparently found em

[IronicOrnithologist](#)

Cool

jadedResearcher

:eyesngrin: :justgrin:

[NAM's emojis]

jadedResearcher

:smallspiral:

[SmeargleUsedHex](#)

Maybe add some kind of colorbot so people can make their own color roles? I've seen a few of those around.

[lionfish1212](#)

you can have colors?

jadedResearcher

yupyup, want one?

if we get big enough ill add a bot to do it

[lionfish1212](#)

can i have pink please?

jadedResearcher

made zampanio-fandom since it seems im accidentally collating the fandom in addition to ppl trying to search for it

SmeargleUsedHex

Can I have a color role? #705898, titled "ghost" please.

jadedResearcher

sure thing

like that?

SmeargleUsedHex

yeah, thanks!

I SING THE TRUTH

I suppose I should get my customary orange or brown role. Dunno why, that's the color I get on every server.

IronicOrnithologist

Weird question are you a furry?

I SING THE TRUTH

Me?

IronicOrnithologist

Yes

I SING THE TRUTH

Nah, nekomimi is completely different to furry. Totally. Absolutely. I hope.

IronicOrnithologist

I

Have no idea what that means

I'm curious because there is a big overlap with the Zampanio fandom and the Donaldist fandom, and I was wondering if there was a third connection to the furry fandom

As far as I can tell at least

SmeargleUsedHex

Depends on what you define as a furry.

[IronicOrnithologist](#)

I still don't speak Italian

I think being a furry is a choice of self identification?

Otherwise Don Bluth would be considered a furry

SmeargleUsedHex

Don who?

[IronicOrnithologist](#)

...

...

You could've just shot me in the heart

You know

Don Bluth

[one more picture of Don Bluth]

I SING THE TRUTH

Asking if the furry fandom has a connection to something is like asking if the CIA is responsible for a coup in a third world nation. Kick over a rock and you'll find nothin' but suits. Fur or two piece depends on context.

SmeargleUsedHex

I do not recognize a single character in that picture.

I SING THE TRUTH

I don't consider myself furry

lionfish1212

what's a furry?

IronicOrnithologist

[Gif from the Anastasia]

IronicOrnithologist

Fair

Perhaps Bluth did have some pelts in his closet

[Gif of an animated blond girl in glittery dress]

Hopefully not sewn into whatever this dress is

lionfish1212

is she a furry?

IronicOrnithologist

I'd like to think so

lionfish1212

she is the type of person my mom says should put on more clothes on the superbowl halftime show ._.

IronicOrnithologist

Your mother is a coward

lionfish1212

shes my mom though so she has to have a point

IronicOrnithologist

What would Frog Charo think?

[Gif of the frog in Thumbelina]

lionfish1212

uhh i dont know?

o_O

IronicOrnithologist

Have you never seen Thumbelina?

lionfish1212

i know the story

IronicOrnithologist

Again, easier to murder me in cold blood

Possibly even warm blood

lionfish1212

what?

IronicOrnithologist

Room temperature blood will do just as well, I suppose

lionfish1212

i'm really confused, sorry!!! O_o o_O

thats kind of gross...

jadedResearcher

other-fandoms plz

lionfish1212

how do i go there?

jadedResearcher

just click the link

lionfish1212

oh, ok!

jadedResearcher

(basically i almost had a heartattack thinking like a million roles were needed but it was just chatter)

IronicOrnithologist

We're going to kill you in room temperature blood JR

jadedResearcher

[theendisnevertheend animated emoji]

the judge really is coming thru

some of these im not quite sure how they relate but

my source is impeccable

jadedResearcher

:ey3p3nsiv3: :sadcowboy3:

I SING THE TRUTH

What even are these

jadedResearcher

gifts from the judge

I SING THE TRUTH

I see

(I do not see)

jadedResearcher

:cak3isali3:

Krysal Tepsyr

ah. i see.

Krysal Tepsyr

hm, mind if i take a bright gold color?

doesn't feel quite right without it

Krysal Tepsyr

perfection. thank you.

lionfish1212

that looks really nice

for some reason i really love how it looks with your logo

Krysal Tepsyr

this feels a lot more comfy.

purple and yellow. it's the brand.

lionfish1212

like a dragon

Krysal Tepsyr

perhaps.

one other thing. seems like you're probably not too keen on this becoming a heavy social space, but do you think maybe it'd be helpful to have some kind of channel to introduce ourselves? that way we can know each other at least a little bit while we're working together and know each other's strengths. if that's too close to being a "community" thing, i understand, just thought maybe it'd be useful.

jadedResearcher

bluuuh

im trying to avoid having to moderate ppls social interactions again

but you have a point about it helping the Hunt

introductions

Krysal Tepsyr

i know, sorry bout that will try and not get toooo social but like all the weird shit it follows me wherever i go

attendantWatcher

can I get #a2a2a2 colour?

Blobbin

Can I have a colour? I don't really care which one, but preferably something darker but not black?

Flippet

could i have a #00ffff color role?

sierra & sammi

Can i have a color? Maybe light purple?

Daedalus

Hi

jadedResearcher

hi :) :) :)

Daedalus

blink

SmeargleUsedHex

In tangentially related news, maybe we should have some kind of RP channel. Might be fun.

jadedResearcher

on it :) :) :)

SmeargleUsedHex

Maybe we could have an in-character Overseer session or something.

Is Overseer still running? I haven't played it in a long time.

lionfish1212

what's overseer?

SmeargleUsedHex

An old Homestuck game. Text-based, multiplayer. Get to play through a session.

Looks like V2 is down. Legacy might still be around though.

lionfish1212

oh i love homestuck!! i haven't heard of overseer though

cascade was soooo cool

SmeargleUsedHex

Yeah, right? Still love the music.

lionfish1212

im so excited for them to release more of it

attendantWatcher

I have complex feelings on homestuck given all the mess that happened

SmeargleUsedHex

Well... not sure I'd say that. Haven't been too fond of what's come out recently.

lionfish1212

crashing newgrounds and all?

that was wild

i'm not old enough to teechnically have a tumblr so don't tell but its always Unique over there

attendantWatcher

lionfish, what was the last update you remember, again?

lionfish1212

i'm up to date with the most current one

SmeargleUsedHex

What do you think about what they've done with Jane?

lionfish1212

i think that the theories people have come up with are really really cool and i hope that something like that happens

with the whole possession deal

SmeargleUsedHex

Not quite sure what you mean, but eh, there's plenty of fan-theories I haven't heard of.

I just don't like Jane as a villain. Give us our baker girl back.

lionfish1212

i hope she gets a happy ending!!

SmeargleUsedHex

Yeah, hope so.

Though at this rate...

lionfish1212

theres always fanfic! ^.^

attendantWatcher

Fanfic is hard

SmeargleUsedHex

Story of my life.

I have so many fanfic ideas bouncing around my head and zero skill to write them with.

Krysal Tepsyr

something is wrong.

something is very, very wrong.

lionfish1212

Krysal Tepsyr

i am fine

but this this ain't right.

lionfish1212

what's wrong?

Daedalus

Hi

jadedResearcher

Daedalus

Krysal Tepsyr

Krysal Tepsyr

SmeargleUsedHex

Krysal Tepsyr

lionfish1212

jadedResearcher

lionfish1212
